

Auckland Elections Prep for the Disability Community with Auckland Council

NZDSN Auckland Regional Online Hui

Wed 4th December, 4.00 to 5.00pm

Kua karangatia koe, You are invited! [Register Here](#)

NZDSN is hosting an opportunity for the Auckland Disability Community:

Auckland's local elections are happening in 2025 – an opportunity to choose who the next political leaders will be, making decisions for the future of Auckland. Planning is underway to raise awareness and encourage Aucklanders from all backgrounds to make their voices heard.

This information session will be tailored for the disability community.

Auckland Council is keen to ensure this election is as accessible and inclusive as possible. Council reps will share with us what's coming up and how we can get involved in this important work.

We will hear from the Elections Programme Manager, Elodie Fontaine, and have the opportunity to ask questions and offer our thoughts.

Together let's lift diversity of representation in our region.

Please feel free to share this invitation with others who you think might be interested to join.

What: NZDSN Auckland Online Hui: Auckland Elections Prep for the Disability Community with Auckland Council
